

Commercial Services

Dear Business Owner,

Thank you for allowing me this opportunity to introduce our quarterly service available to businesses with no more than 5000 sq/ft of space.

This service is designed to keep your building free of pests year round.

The quarterly service includes the following:

Residual spray of interior of the entire critical areas of the building four times per year. (spring, summer ,fall and winter)

Residual spraying of the outside perimeter of building two times per year (spring and summer)

Rodent control for the building with every service.

With the prepaid year service program you get the regularly scheduled services listed above, plus four service or emergency calls at no extra charge (for any pest inside or attached to structure).

Terminator offers a special savings prepaid price or a quarterly payment plan. For more info please contact our offices. The service includes the treatment and exclusion of the following pests:

House Ants

Beetles

Moths

Wasps

Bees

Yellow Jackets

Hornets

Crickets

Earwigs
